Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wichita Falls Faith Mission, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. NOTES TO FINANCIAL STATEMENTS JUNE 30, 2018 AND 2017

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Wichita Falls Faith Mission, Inc. (the Mission) is an independent nonprofit corporation whose operating facility and administrative offices are located at 1300 Travis Street, Wichita Falls, Texas. The Mission provides food, clothing, lodging, and shares the "Good News of the Gospel of Jesus Christ" with needy, transient, and indigent individuals and families in the Wichita Falls area. The Mission receives private donations of money, food, clothing, household items, etc. from the general public.

Basis of Accounting

The accompanying financial statements are presented in accordance with the accounting and reporting standards required by FASB ASC 958, *Not for Profit Entities*. FASB ASC 958 requires the Mission to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted Net Assets – Result from revenues from providing services, producing goods, unrestricted contributions and dividends, and interest from income-producing assets less applicable related expenses. The Mission treats restricted contributions whose restrictions are satisfied during the same fiscal year as unrestricted support. All contributions made to the Mission are considered to be available for unrestricted use unless specifically restricted by the donor.

Temporarily Restricted Net Assets – Represent net assets subject to donor-imposed stipulations that can be fulfilled by actions of the Mission pursuant to those stipulations or that expire by the passage of time.

Permanently Restricted Net Assets – Result from donor-imposed stipulations that neither expire by the passage of time or can be fulfilled or otherwise removed by actions of the Mission. The Mission had no permanently restricted net assets at year end.

Cash and Cash Equivalents

For financial reporting purposes, the Mission considers all highly liquid debt instruments purchased with original maturities of three months or less to be cash equivalents.

Inventory

Inventory consists of donated apparel and other items and is recorded as contributions and as inventory in the period received at fair market value.

Property and Equipment

Acquisitions of property and equipment in excess of \$1,000 are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is provided utilizing the straight-line method over the estimated useful lives of the respective assets, as follows:

NOTES TO FINANCIAL STATEMENTS (CONT'D.) JUNE 30, 2018 AND 2017

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D.)

Property and Equipment (Cont'd.)

Buildings and improvements 10 to 30 years Vehicles, furniture, and fixtures 3 to 10 years

Donated Land, Equipment, Materials, and Services

Contributions of services and materials are recognized in the accompanying financial statements in accordance with FASB ASC 958-605. *Accounting for Contributions Received and Contributions Made,* if the services received enhance or create non-financial assets, require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by the donation.

Income Taxes

The Mission is qualified as a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code of 1986 and therefore, has no provision for federal income tax.

Functional Classification of Expenses

Directly identifiable expenses are charged to program services, administrative, and fundraising functions. Expenses related to more than one function are charged to each function on the basis of periodic time and expense studies. Administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Mission. A description of the Mission's functions is provided below:

Program Services

The Mission provides food, clothing, lodging, financial assistance, addiction counseling, and shares the "Good News of the Gospel of Jesus Christ" with needy, transient, and indigent individuals and families in the Wichita Falls area. Management believes that approximately 85% of pertinent non-direct expenses are related to this function.

Administrative

The Administration program provides occupancy and administrative services to the Mission. Management believes that approximately 13% of pertinent non-direct expenses are related to this function.

Fundraising

The Mission engages in a number of fundraising activities, including rallies with praise and worship, food drives, mail solicitations, Night in a Box, Decorator Show House, and Faith in the Falls. Contributions to the Mission are received from the general public. Management believes that approximately 2% of pertinent non-direct expenses are related to this function.

NOTES TO FINANCIAL STATEMENTS (CONT'D) JUNE 30, 2018 AND 2017

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D.)

Restricted and Unrestricted Revenue

Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Accrued Compensated Absences

The Mission's policy for compensated absences for vacation and sick leave allows for accumulated hours earned monthly based on years of service. An employee may accumulate up to 96 hours of vacation each year and is to be paid for unused vacation time upon separation from service. The total dollar amount of unpaid vacation which is accrued and included in other accrued liabilities was \$21,974 and \$16,998 as of June 30, 2018 and 2017, respectively.

An employee may earn up to 64 hours of sick time in a year, but any unused sick time cannot be carried over to future periods. Sick leave benefits are forfeited at the date of employee termination. No liability has been recorded on the books of the Mission relative to sick leave benefits. It is considered remote that the entire contingent liability will be paid; furthermore, the probable amount of sick leave compensation expected to be paid in the future cannot be reasonably estimated.

Advertising

The Mission uses advertising to solicit donations and promote special events. The costs of advertising are expensed as incurred. During the years ended June 30, 2018 and 2017, advertising costs totaled \$134,231 and \$132,020, respectively.

Reclassifications

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

Date of Management's Evaluation

Management has evaluated subsequent events though October 24, 2018, the date on which the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS (CONT'D.) JUNE 30, 2018 AND 2017

Note 2 - FINANCIAL INSTRUMENTS

Concentration of Credit Risk for Cash Held in Banks

The Mission maintains bank accounts with several institutions. The accounts held at the bank are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The Mission's cash accounts were fully covered by FDIC insurance at June 30, 2018 and 2017.

Fair Value

Management has determined the carrying amounts of the Mission's cash and cash equivalents, accounts receivable, accounts payable, inventory, and other accrued liabilities approximate their fair value.

Note 3 - PROPERTY AND EQUIPMENT

Property and equipment are stated at cost less accumulated depreciation. Major classifications of property and equipment at June 30, 2018 and 2017 are summarized as follows:

NOTES TO FINANCIAL STATEMENTS (CONT'D.) JUNE 30, 2018 AND 2017

Note 4 - CAPITAL LEASE (CONT'D)

These commitments provide for minimum future lease payments as of June 30, 2018 as follows:

Note 5 - DEFERRED COMPENSATION AGREEMENT

Effective August 20, 2001, a deferred compensation plan for the former Executive Director and former Marketing Director was adopted by action of the Board of Directors. The plan requires that on the first day of the month immediately following the retirement or death of the former Executive Director, and on the first day of each month thereafter during the joint lifetimes of the former Executive Director and the former Marketing Director, the Mission will pay the former Executive Director and the former Marketing Director, or the survivor of them, the total sum of \$2,000 per month. This Deferred Compensation Agreement was entered into for and in consideration of the years of service given to the Mission. Effective January 1, 2007 the former Executive Director retired. Total payments under this arrangement for fiscal years 2018 and 2017 were \$24,000 each. Future minimum payments are \$24,000 per year until the death of the retired Executive Director. No such agreements have been extended to any other employees of the Mission, nor does the Mission intend to enter into such agreements in the future.

A liability has been recorded for the net present value of the obligation under the agreement, based on the estimated remaining life of the recipient. As the remaining life of the recipient is uncertain, it is at least reasonably possible that the estimate will change in the near term.
